

# IZ10/1F/54

## Specifications

ETI Code	002921142
Description	IZ10/1F/54
Class name	Insulated busbar
Number of poles	1
function	Section rails
Busbar type	FORK
Rated current (A)	63A
Rated cross section	10mm <sup>2</sup>
Lenght in modules	1x54
Number of phases	1
Voltage type	AC/DC
Rated AC voltage (V)	500V
Rated DC voltage (V)	500V
Type accessories	Section rails

## ETIM international classification

Classification	EC000215
Class name	Phase busbar
Number of phases	1
Module width	17,8mm
Cross section	10mm <sup>2</sup>
Length	1000mm
Rated permanent current I <sub>u</sub>	63A
Type of electric connection	Fork
Insulated	Yes
Max. rated operation voltage U <sub>e</sub>	500V
